STANLEY®

Since 1843, Stanley has set the standard for excellence in delivering innovative, powerful products for hard-working people, and its range of durable workwear styles follows the same work ethic.

Stanley Workwear is crafted from technical fabrics and soft cotton. Its easy fit is smart, yet durable enough to suit the most demanding environments.

The entire range stands up to the rigours of a construction site through to the demands of the trade.

Stanley Workwear has the following accreditations. Please enquire for details per style.

STANLEY HUNTSVILLE TROUSERS

Stanley Huntsville are tough work trousers with holster and kneepads, plus multiple pockets for added storage. Classic fit with gripper print inner waistband and angled centre belt loop ensure a quality fit. Triple-needle back rise, cargo side pockets, kneepad pockets, together with cut-and-sew reinforced hem panels, complete their appeal.
