Three-in-One Interchangeable System Jackets

The original, since 1983. When heading outdoors you can predict and plan a full day of outdoor activity with certainty, but what you can't predict is what the weather will hold. Enter our 3-in-1 system jackets; your versatile answer to the unpredictable. These system jackets are 3 jackets in 1, pairing a weatherproof outer shell with a removable, ultra-warm insulated inner jacket. This allows you to customize your jacket when the weather is playing the fickle fiddle. STORMTECH 3-in-1 system jackets have been developed for a wide range of outdoor environments, for both work and play.

H2XTREME
WATERPROOF. BREATHABLE.

Offers a high level of waterproofing while allowing moisture vapor to exit the garment

Waterproof Zippers

Completely seals out water from penetrating your out shell through the zipper for high-use applications in extreme to moderate wet weather conditions

Zip-Out Thermal Shell Liner

Allow you to wear this jacket three ways – for versatility of wear, whatever the season

Adjustable Cuffs

Allow you to adjust the fit of the cuff precisely

Detachable Articulated Storm Hood
Provides immediate wind and weather protection when needed most

FEATHER-FREE THERMAL SHELL

High loft synthetic insulation, designed to be lightweight and compactible

Dual Chest Pockets

Protect your valuables safely and securely with easy access

Abrasion Resistant Hand Pockets

Perform a dual task of warming hands and stowing personal items

Technical Outerwear

Born in the rugged west coast rainforests of British Columbia, Canada, STORMTECH's designs are inspired through the lessons learned from the rain, snow, and sun. We pay painstaking attention to mother nature's varying moods in order to develop the very best in technical outerwear. With design excellence and functionality that blends exclusive technologies, such as H2XTREME®, we build hard-wearing garments that provide maximum protection and comfort so you can get out there and explore with confidence.
