Our supply chain

Our methods of sourcing, manufacturing and production are regulated and certified by some of the world's leading organisations.

OUR SUSTAINABLE STORY

When you see this 'SUSTAINABLE' logo you can be assured that you are choosing a style that has been made in a more environmentally friendly manner in relation to the fabric composition and methods of production.

These logos will also help you make a more informed decision when selecting your uniforms.

Cotton sourced through the Better Cotton Initiative programme.

Polyester recycled from post-consumer raw plastics.

Cotton produced and certified to organic agricultural standards.

Colour dye added to the fabric through a more environmentally friendly process called spun-dyeing.

Cotton derived from denim fabric which has been broken down and regenerated to form a new garment.

Standard 100 by Oekotex® certification demonstrates that no harmful chemicals are used at any stage of product production.

Cotton grown and cultivated on farms that are certified by the Fairtrade Foundation.

By sourcing organic, sustainable and Fairtrade cotton, along with recycled plastics and using spun-dyed production methods, here's just some of the ways that we are reducing our carbon footprint to benefit the environment.

WHAT'S NEW

IN THE PREMIER COLLECTION

APRONS

Our PR121 'Barley' Contrast Stitch Bib Apron is made with a combination of sustainable cotton and recycled polyester, whilst our PR122 'Regenerate' Bib Apron started out life as a pair of jeans that have been recycled and regenerated to form this beautiful vintage-inspired style.

There are welcome colour additions to our best-selling PR150 and PR154 aprons, making this the most extensive collection on the market.

OUTERWEAR

As many hospitality venues now set up to serve comfortably outdoors, we have introduced outerwear styles so staff can keep warm - whilst still maintaining a professional look.

TOPS

With a colour palette that complements our Artisan Collection of aprons, we've introduced a duo of 'Comis' Tees and customer demand has seen us launch a women's version of the 'Grandad' Banded Collar Shirt.

Polo Shirts are one of the most versatile styles in our collection and we've added a his and hers recycled polyester version that has been constructed using a process called spun dyeing.
